# MANORAMA YEARBOOK

## All India GS Prelims Test Series 2026

### Your Smartest Step Towards Cracking UPSC Prelims 2026

In a space cluttered with lengthy tests and overwhelming schedules, this test series brings a refreshing shift in strategy. The Manorama Yearbook Online All India GS Prelims Test Series 2026 is designed to be sharp, sustainable, and aspirant-friendly, with a unique format that maximizes learning while reducing stress.

### Why 50 Questions Per Test?

This test series is built on the philosophy that smart preparation is better than excessive preparation.

- ★ The 50-question format is easier on the eyes and ideal for aspirants who prepare digitally.
- ★ It allows better focus and retention by minimizing fatigue.
- ★ It ensures efficient syllabus coverage through well-researched, high-quality questions.
- ★ It is perfectly suited for repeaters and working aspirants looking to maintain momentum without burnout.

## Structure of the Test Series

The 75 tests are organised in three well-defined phases:

### Phase 1 (Tests 1–30)

- ★ Focus: NCERT Mastery (Classes 6 to 12)
- ★ This phase builds your conceptual foundation with questions based on NCERTs across subjects.

### Phase 2 (Tests 31–60)

- ★ Focus: Standard Textbooks + Government Sources
- ★ Sources include Laxmikanth (Polity), Spectrum (Modern History), GC Leong (Geography), Ramesh Singh (Economy), India Year Book, Budget, Economic Survey, Yojana, and relevant government reports.

### Phase 3 (Tests 61–75)

- ★ Focus: Full-Length UPSC-Level Simulators
- ★ These are full-syllabus tests crafted to mimic the actual UPSC prelims in pattern, difficulty, and structure.

Every test comes with detailed explanations, clear reference sources, and a focus on teaching the elimination method, so that aspirants cannot only revise what's necessary but also master smart solving techniques essential for the UPSC Prelims.

**Note:** To simulate the real UPSC experience, the last 5 tests (Tests 71 to 75) of this series will be full-length mocks with 100 questions each, designed exactly like the UPSC Prelims. These papers will help you master 2-hour time management, question selection, and exam pressure—essential for success on the final day.

## Key Features

- ★ High-quality UPSC-standard MCQs that go beyond basic fact-checking
- ★ Test-Learn-Retest model to enhance long-term retention
- ★ Performance analytics to identify strong and weak areas
- ★ Seamless balance between theory and current affairs
- ★ Designed to complement Manorama Yearbook and other standard UPSC sources

## Who Should Join?

- ★ First-time aspirants who want a clear and phased preparation path
- ★ Repeaters who want focused revision without repeating mistakes
- ★ Working professionals who need a manageable and effective test strategy
- ★ Aspirants who prefer focused learning over quantity-driven preparation

## Why Manorama Yearbook?

Manorama Yearbook has been a trusted companion for civil services aspirants for decades. With our test series, we combine our content expertise with deep insight into UPSC trends to deliver a smart, reliable, and stress-free preparation experience.

*The 50-question strategy ensures that you don't just finish the test—you learn from it.*

## Phase I: NCERT-Focused (Tests 1–30)

### Strategy: Build a rock-solid conceptual foundation using NCERTs

This phase is designed to give aspirants a structured and confident beginning. NCERTs are not just for beginners—they are the soul of UPSC Prelims preparation. These 30 tests will help aspirants master every NCERT from Classes 6 to 12, across all core subjects, using high-quality questions framed in the UPSC pattern. Whether you're a first-timer or a repeater, this phase ensures that no basic concept is left behind.
